Sealed proposals will be received by the Division of Public Works, State of Idaho, at the St. Anthony Juvenile Corrections Center, front desk, 2220 East 600 North, St. Anthony, Idaho, 83445 until **2:00 pm**, prevailing local time, on **Tuesday, August 19, 2013** for DPW Project No. 13534 Replace HVAC System, Clinic, JCC-STA, Department of Juvenile Corrections, St. Anthony, Idaho.

A description of the work of this project can be summarized to include the addition of indoor evaporator coils at the existing gas-fired furnace locations with corresponding outdoor condensing units located on a new concrete pad on the North side of the building. Existing furnaces are down flow type and will need to be removed and reinstalled to accommodate new evaporator coils. Refrigerant piping is to be routed from indoor coils to outdoor condensing units through the existing attic space. Electrical service modifications will be required for additional electrical load due to the new condensing units.

Proposals will be opened and publicly read at the above hour and date.

Plans, specifications, proposal forms and other information are on file for examination at the following locations:
